Dear Sponsor Member:

The Board of Directors of The Country Club will appreciate you using the following procedure in sponsoring applicants for **all categories** of membership:

1. The sponsor must obtain an application to present to the applicant and four questionnaires. These questionnaires must be completed by the sponsor, co-sponsor and endorsers and turned in with the application.
2. The applicant must fill out and sign the application and attach a \$5,000 deposit for Equity applicants or a \$1,000 deposit for Social & Junior applicants, to confirm their intention to purchase. This will be applied toward the purchase of the membership upon approval by the Board. If the applicant decides not to buy after Board approval, their entire deposit is forfeited. Approved Equity candidates must pay an assessment fee for the clubhouse restoration when they pay for the membership. (Contact Becky 466-8751 for a payment schedule.)
3. The application must then be signed by four Equity members in good standing (1 sponsor, 1 co-sponsor and 2 endorsers). According to the Club By-Laws, no equity member may sponsor or co-sponsor more than two equity applications in one fiscal year and may endorse no more than four equity applications in one fiscal year (Oct. 1 to Sept. 30). There is no limit on the number of times a member may sponsor or endorse Social or Junior applicants. The sponsor and endorsers **must be personally acquainted** with the applicant and vouch for his/her integrity. The sponsor must **write a letter** to the Board stating in detail the extent of his/her acquaintance with the applicant, the number of golfers in the family and such other facts that he/she feels will assist the Board in making their decision. The applicant must attach a photograph of himself/herself to the application upon submission.
4. The application and four questionnaires are to be turned in to the Club office by the 20th of each month to be considered by the Board at that month's meeting. Applications received after the 20th will be held over until the following month. The applicant is then invited, along with his/her sponsor, to the next Board meeting to be introduced to the members of the Board. After meeting the Board, the applicant, upon Board approval, is posted for 30 days and then at the following Board Meeting is voted on for membership approval.
5. All memberships are purchased and sold through the club. Social and Junior memberships are not transferable. The price for Social and Junior memberships are determined by the club. Equity memberships are sold in order from lowest to highest off the sale list. Each equity member determines the price they will sell their membership for. Unless otherwise determined by the Board, the price paid for an equity membership by all approved applicants in any month will be the average sales price of all selling members equal to the number of buyers for that month. For example, if there are two applicants and the two lowest prices on the sell list are 100,000 and 110,000 each applicant upon approval will pay 105,000 for his/her equity membership. The selling member may change the selling price of an equity membership at any time up until 12:00 p.m. the day of the board meeting. An exact purchase price cannot be determined until the applicant is approved and offered membership in to the club. To obtain general pricing information please contact Amedee Moran or Lisa Reynolds at (801) 466-8751.

After the Board of Directors have met the applicant and after the 30 day posting, the applicant will be notified of the Boards' decision. Any newly elected member shall be entitled to the privileges and facilities of the Club from the date payment is received for the membership. Dues shall be payable beginning the first day of the month.

We do appreciate your interest in sponsoring new members.

Sincerely,

The Board of Directors

The Country Club
